A Well improved and very valuable plantation or neck of land, in Goose-Creek parish, containing 700 acres, not more than 11 miles from Charles Town, the whole of which takes only a quarter of a mile of fence to inclose it: About 300 acres of it is in one body, & as good land as any in the parish for indico and corn. Upon it are, about 100 head of breeding cattle, besides sheep and hogs, which have not been out of the inclosure for several years past, nor required any other fodder, for the winter, than what the plantation afforded. In short, there is not a place within 30 miles of Charles-Town, more convenient or valuable, to a person who understands the markets, for raising all kinds of stock, &c. who may expect no less than 30 calves the ensuing spring. Any person inclinable to purchase or lease the same, may apply to

JAMES COACHMAN.

LONDON, SEPTEMBER 11.

THERE is now the greateſt reaſon to believe, with certainty, that the cyder-act will receive a mortal wound next ſeſſions, as we are confidently aſſured, no leſs than 300 ſwords of liberty have for ſome time paſt been whetting againſt that monſter.

SEPTEMBER 13.

They write from Civita-Vecchia of the 10th ult. that the exceſſive great debts which were contracted to provide grain for the poor inhabitants, and the great mortality of the people at Naples, had reduced the trade and commerce of that place to the loweſt ebb, and by all appearance it will remain ſo till the Pope takes off the prohibition on the exportation of their produce, and the city of Naples is intirely cleared of its ſickneſs.

It is ſaid in ſome of the foreign prints, that the following is the manner in which the ſupplies will be raiſed in England, for the ſervice of the enſuing year.

It is computed that ſeven millions will be required to defray the national expences.

The land-tax, which will continue at 4 s. in the pound, will amount to two millions.

The malt-tax will be 750,000 l.

The ſinking fund, by the great increaſe of commerce, will amount to about three millions.

There will then remain to be raiſed by loan, the ſum of one million two hundred and fifty thouſand pounds Sterling, which will be done by lottery; unleſs the whole ſum can be ſupplied by the produce of the ſale of lands in America, and the ranſom for the Manillas.

We are aſſured, that the important queſtion, relating to the legality of General Warrants, on which the liberty of this country ſo eſſentially depends, will certainly come on, before an auguſt aſſembly, immediately after their meeting.

SEPTEMBER 14.

It is ſaid that the Dey of Algiers has ſent an Engliſhman hither expreſs, with a complaint of our lending our flag and paſſports to foreigners; and that we muſt think ſeriouſly of redreſſing this abuſe, if we would avoid the reſentment of the Dey.

Yeſterday died Mr. Stanley, at his houſe, in the tower.

SEPTEMBER 15.

Letters from Italy by this day's mail, ſay, that a ſovereign of that country, (who is not named) is going immediately to abdicate his dominions in favour of his ſon.

We hear that the principal reaſon of putting ſuch a number of capital ſhips into commiſſion, and alſo ordering all the guard-ſhips to take on board their full compliment of men, is to prevent their going into foreign ſervice.

We are aſſured that 10,000 ſeamen will forthwith be raiſed in order to man the fleet that is now getting ready with all expedition.

We hear that a certain G——lO——r was very lately offered the commaad of a r——t, which he refuſed, till it ſhould be pointed out, for what reaſon he loſt his laſt.

It is now ſaid, our court will oppoſe any deſign the Spaniards may have formed, to effect a ſettlement on the coaſt of Guiney; which is contrary to ſeveral ancient treaties now ſubſiſting between the two courts.

The merchants are extremely uneaſy that the ſettlement of the damages ſuſtained by the infraction of the late peace at Turk's Iſland, is left to a man of ſo bad a character as the count d'Eſtaing and a gentleman of ſo eaſy a temper as the governor of Jamaica. It is certain the fiſheries of the Newfoundlanders will fall greatly ſhort this year, through this affair, for the want of ſalt.

A great perſonage in the miniſtry, aſſured a noble lord, in converſation with him, on wedneſday laſt, that, "freſh remonſtrances were gone to Spain, reſpecting the logwood affair; and that an anſwer was daily expected from thence, fully as explicit as that received from France, in regard to the infraction at Turk's Iſland."

SEPTEMBER 18.

On Tueſday the committee for the relief of the Palatines met at Batſon's coffee-houſe, and contracted for two ſhips to carry them to South-Carolina.

It is ſaid that a right honourable commoner has acceded to the minority, and wrote his name in the ſociety's book at Wildman's yeſterday.

We are credibly informed there will be no farther creation of Peers, as was expected, before the meeting of parliament.

Printed bills are ſtuck up in ſeveral parts of the town, and in the different priſons, offering 30 s. per month wages, and expences borne to Portſmouth, to any ſailor, who will immediately enter to ſerve on board the fleet, at preſent fitting out there.

We hear an additional duty will ſhortly be laid on all kinds of foreign china, as well European, as that from the Eaſt-Indies, in order to encourage that beneficial manufacture, which is every day advancing to greater perfection in this kingdom.

There is a report about town, that a certain great man, who has been remarkably ſucceſsful in his negociations for the nation abroad, has been ſo very unfortunate at home, as to fail in his endeavours to negotiate himſelf from one party into another.

SEPTEMBER 20.

Laſt night was held a cabinet-council on affairs of the utmoſt importance, which did not break up till 6 o'clock this morning.

We hear orders were diſpatched laſt night to work double tides, and augment the number of artificers in the King's yards at Portſmouth, Plymouth, and Chatham, in order to get the men of war now fitting out ready for ſea with the utmoſt expedition.

SEPTEMBER 22.

Friday morning laſt Admiral Pye hoiſted his flag on board the Kent man of war at Plymouth.

His Majeſty's ſhips Eſſex and Africa lie at Spithead, waiting for a wind; the former to ſail for Barbados, and the latter for Jamaica.

CHARLES-TOWN, *November* 19, 1764.

THE aſſembly of Pennſylvania (elected laſt month) have appointed the hon. Benjamin Franklin, Eſq; of Philadelphia, their late ſpeaker, and former agent in Great-Britain for ſix years, to aſſiſt Mr. Jackſon, their preſent agent. And

They talk in New-England, of appointing an aſſiſtant to Mr. Mauduit, their preſent agent, to make repreſentations in Great-Britain, touching the duties lately impoſed on the colonies.

In Boſton, and moſt of the adjacent towns, no other mourning is now worn at funerals, than a bit of crape tied round the arm by the men, and black gloves, ribbons and handkerchers by the women.

A valuable coal-mine is ſaid to have been lately diſcovered within the limits of the town of Newport, in Rhode-Iſland.

According to a letter from Philadelphia, dated the 9th inſtant, the Delaware and Shawaneſe Indians, who were included in the treaty made by Sir William Johnſon with the Northern tribes, and had behaved themſelves treacherouſly, have been ſo terrified, at Col. Bradſtreet's marching againſt them one way, and Col. Bouquet another, that ſome of their chiefs have met the latter, and in the moſt ſubmiſſive manner implored forgiveneſs, and begged for peace, complaining at the ſame time of ſo great a want of ammunition, that they could not furniſh themſelves with proviſions; but the colonel demanded an immediate delivery of all the Engliſh priſoners amongſt them, previous to any negociation, and march'd on. Thirty chiefs of the Six Nations with Colonel Bouquet, are ſuppoſed to be the meditators.

A TRACT of land, containing ſeven hundred and fifty acres, ſituated very pleaſantly on Savannah river, within eight miles above the town, on the mouth of Auguſtine creek, joining the lands of Mr. Wylly, Auguſtus Cuthbert, Bulloch and Vaw Munch; the ſaid land contains a large tide-ſwamp, and the reſt is chiefly pine land, fit for ſawing,—as the mouth of the creek is within the ſaid land, it has a very great conveniency for building of mills of any kind. Alſo, A ſwamp of between four and five hundred acres, ſituated at the head of river, about ſix miles from Savannah, without Mr. Baker's barony, exceeding good for corn and indico, alſo ſome prime land. It has a houſe, barn, garden, and a great number of mulberry and fruit trees; about fifty acres are under a good fence, and it never yet wanted water in the drieſt ſeaſon to make indico, the whole an exceeding healthy and pleaſant ſituation.

Likewiſe one hundred acres in Purryſburg townſhip, about three miles above the town, joining eaſt on lands to which no owner appears, weſt on Savannah river, a large body of pine barren, ſuppoſed to be vacant, is contiguous, and it has the advantage of a bluff that never overflows. Whoever inclines to purchaſe may treat with Mr. John Hodſden, in whoſe hands the plats are to be ſeen. c. 72.
